

# Coupe de la Jeunesse 2023

Bosbaan (Amsterdam)

## Venue

The 2023 Coupe de la Jeunesse will be hosted at the Bosbaan in Amsterdam. This historical rowing venue has been in use since 1930 and is well known for its yearly Holland Beker regatta. Over the years it has hosted many FISA events.

The course is located on the southern edge of Amsterdam, on its border with the city of Amstelveen. It can be reached from Schiphol Airport and the Amsterdam central railway station using public transport in about 30 minutes.

Schiphol Airport is connected to all major (and not so major) cities in Europe. Amsterdam Central Station is connected by high-speed train to Berlin, London, Brussels and Paris.

Fig 1. Map of Amsterdam and surrounding area with important locations

The course itself is an 8-lane course adhering to all FISA specifications. It lies at a cozy location in the Amsterdamse Bos (Amsterdam's forest), hence its name.
